

6 Life in life...

We outsource...

1 The polluting factories as far as possible in order to have clean air (which we will never get to breathe)

5 Death because we want to be eternal (but fortunately we are not eternal)

4 The body in intense and exciting adventures (in which nothing ever happens to us)

2 The African borders to protect us from those who come and steal our jobs (which we will never get)

3 Ourselves in the Internet to find some friend who admires us (who will never be a friend)

WHAT IF WE COULD COMPLETELY OUTSOURCE US SO AS NOT TO FEEL THE EMPTINESS!
