

**COVID-19,
Our father who art in heaven,
you know no borders
Hallowed be thy name «Coronavirus»
We grace you for the immense help
you have granted
You have sent countless of us home to rest
You have decreased 6%
of the carbon dioxide that suffocates us,
You have stolen 30,000 million
from the three richest people on the planet,
And 540 million to our dear
Amancio Ortega alone
Thy will be done
On earth as it is in heaven
Give us our daily happiness
And forgive us our fears and impotence
We will hate those
who humiliate us
Lead us not into the temptation
of fearing the other
But deliver us from capitalism.
Amen**
